Recent Recordings

Something Exciting

“lead vocals of great fervency...a very good and persuasive recording.”

-*Bluegrass Unlimited Magazine*

OVERVIEW

SOMETHING EXCITING is

The Hunt Family Band's 7th studio album and arguably their finest all Gospel

project. The album, which received positive reviews from *Bluegrass Unlimited Magazine* (August 2014 pg. 52), consists mostly of fan requested traditional Bluegrass Gospel material. While rooted in tradition, these songs are brought to life through fresh arrangements, tight harmonies, and solid picking from the entire group.

Game 7

“very good musicians...instrumental prowess...these two brothers can play Bluegrass”

-*Bluegrass Unlimited Magazine*

OVERVIEW

Born of a set of demo recordings **GAME 7** took on a life of its own to become a coherent collection of

imaginative music. The harmonies are described as “tight and excellently phrased” by *Bluegrass Unlimited Magazine*. Original and traditional material is presented here in a fresh and exciting way that will help The Hunt Brothers solidify their position as top tier musicians.
